True Reflection

The evocatively-named "The fairest of them all" is a frameless hanging mirror designed in Melbourne by Heartly with a leather strap – the latter component individually made and pressed by hand by MadeMeasure, also in Melbourne.

Homemade

The "Town and Country Dining Chair" is made from American white oak with a leather cushion. Individually made, the chair can be customised in size and uses a selection of finishes. Nicholls Design is committed to sustainability; all products are crafted from ethically-sourced timber on the family cattle farm in Narre Warren North, Victoria.
